

Avanti Language Institute, Ireland Junior Programme

Our Junior Programme is second-to-none. We have a lot of individual students and groups returning every year.

The Junior Programme is available throughout the year for groups and the Junior Summer Programme is available for individuals and groups for up to 9 weeks from mid June till the third week of August.

It is designed for students aged between 11 and 17 years. The course includes English Language lessons combined with a variety of sports, leisure and cultural activities, accommodation with Host Families with full board.

A typical day starts with morning General English lessons with our native, experienced and qualified teachers, followed by an activity in the afternoon. Some evenings we have fun activities too.

Naas, where our school is based, is an ideal location for young learners - a lively but very safe town, it has a great range of amenities and activities to enjoy and we are so close to Dublin City Centre and Dublin Airport.
