

Spring course for teenagers

Benalmádena is an attractive, medium-sized town on the Costa del Sol (approx. 50.000 inhabitants), located on a hill at the foot of the Mijas mountain range, only 18 km from Málaga city and 12 km from Málaga International Airport, which is within 3 hours' flying time from most European capitals. Originally a sleepy Andalusian fishing village with beautiful whitewashed houses, Benalmádena has developed into a lively town which retains its old charm and character. The town is small enough to provide a peaceful and secure environment, while large enough to offer good shops, hotels and restaurants, a large park, a modern sports centre, a library, an art gallery, with cinemas and shopping centres nearby, etc.
