"Dear Samiad Staff, thank you for giving us an incredible stay during the last two weeks. It has been an unforgettable experience for both the returning students and the new students and we wish we were granted more time to stay here longer. Thank you for the English lessons and the outdoor activities, especially the British games and thank you for all the fun excursions, party nights, Samiad Olympics that brought us together and helped us create lifelong friendships with international friends. I hope you don't stop making an impact on young people's lives, as you have done to us. I look forward to seeing you all again!"

Huy, Vietnam
